## CIRCULAR

12<sup>th</sup> November, 2015

Attention of all concerned is drawn to our circular dated 9<sup>th</sup> November, 2015. As discussed among the NCCOEEE leadership over phone on date, all are experiencing lots of trouble to have their railway reservation to and from Delhi to attend the NCCOEEE extended meeting on 16<sup>th</sup> November, 2015. Due to huge festive rush, most of our leadership are unable to arrive Delhi on 16<sup>th</sup>.

We also refer to the discussion held between NCCOEEE leadership and the Power Minister Shri Piyush Goyal on 6<sup>th</sup> November, 2015 at Kochi. In the course of discussion, Minister indicated that major points of NCCOEEE memorandum have been accepted. The Electricity (Amendment) Bill, 2014 is being redrafted and the modified version will be published shortly. Salient points of discussion have already been circulated on 9<sup>th</sup> November for information of all NCCOEEE constituents. Hopefully the official document covering the modification will be issued before the forthcoming session of the Parliament scheduled to commence from 26<sup>th</sup> November, 2015. Further, if the major issues of our concern are conceded to and the outcome of the proposed meeting with the Power Minister (already invited) is fruitful then the situation can be reviewed. In the meantime the Strike notice stands.

In view of the forgoing, the extended meeting of NCCOEEE convened at Delhi on 16<sup>th</sup> November, 2015 is hereby postponed. Next date of meeting will be intimated after scrutiny of revised Bill/ meeting with the Minister.

(A.B. Bardhan)
